The CIMS&H is founded with the single point aim of providing the best of medical training. At present the hospital has 400 Teaching beds with state of the art operation theatres. Besides there are 20 intensive care beds with 24hrs high-tech trauma care facility, serving a wide cross section of the community. Free medical services are given to the poor and needy patients. Separate rural & urban health training centers have been established so as to impart field-practice training to medical students and helping the needy people nearby and those in remote areas.

The CPGIDS & H offers opportunities which are difficult to be found anywhere else. This is an institution involved in a rich amalgamation of scientific acumen and comprehensive dental care service. At this institution, we believe in educating the students to develop a good patient relationship, efficiently manage a dental office, design a good treatment plan and utilize the state-of-the-art materials and techniques. Our goal is to supplement the existing pool of dental and medical knowledge with an intention to promote public health awareness. We strive to educate our students with a broader vision who will play a leading role in oral health care in the next millennium.

Our Chairman Felicitated by Honourable State Health Minister Shri Siddharth Nath Singh ji
